See ya
See you in septembert

Akira?!

He still owes me money
Eh?
That's a problem
Eh? Don't know where he is?
That's right, no one has seen him around lately
I'm very sorry.
Are you going to return the money in his place?
Ha? Why are you apologizing?
Ah!
You also lent him money, didn't you?
Akira's been borrowing money from everyone, they all know.
I lent him the money knowing that he wouldn't pay me back.

I heard he's dead...
He...
Please! If you know something...
.....
What...?!
There are not a lot of people that don t hate him
...Only...
Ah, I also heard.
Some have seen his body, some have not
.....

When Akira dies, I'm probably the only person who will cry for him.
Just where did he go off to? I don't really want to know... !
Sensei!
Sensei, this is...
The student's journals

Ah.
Thank you, Aoitsuki!
Now I finally understand how sad I am!
Sensei .. is something wrong?
What is it?
When I'm in second year, if sensei could become my teacher
I will be very happy..
Then sensei, goodbye!
Yes see you in September
I guess it's just because the semester just ended.
Thank you for worrying!

No.

I can't go on like this.

I have to forget it quickly

... Yo.
Long time no see.

Ahh!
NO
!!

You seem to be searching everywhere!
But you should have come to us first.
About Akira... don't you want to know?
Seems like you didn't have the courage to come and see us!
So I came myself.
About Akira...?!
Do you know...

The one who killed Akira, must be this man

Only want to ask about Akira!
I...
Don't be like this!
You are saying that you 'know' who did it?
You barged into my house ..
Right?
It's true that we had a deal that day.
But that was the only time!
Wha

How cruel... !!
Besides,
I also heard that he died
But I don't think you're going to protect that kind of guy
You killed him, didn't you?!
It's you...
If you think I did, then I did.

If you don't know what happened to Akira, then what did you come here for?
I... don't want to see you anymore !
I've already researched everything about you
... First where you live,
!
Then your name and age,
that you are a high school teacher
Even your personality and

Three months have already passed
Your relationship with Akira.
With him not being here, you must feel very lonely?
.....!!
Because your body's already like this...
Am I right?

Your body probably can't take it when it's night time, isn't that right?
You don't seem like the type that'll lick a man's dick...
I'll make you feel good!
Just like that time.

... Che!
So troublesome...
You are very hard to deal with----
...!
Look this way!
...come!

I don't
want
to...!!
You are
saying
no
now?
What is he
trying to
do?...
That
time...
It was you
who was
having so
much fun
licking my
dick!
I'm not going
to listen to
you!
Shut up!!

This is a drug that will make you 'feel good'.
Don't destroy the mood!
U...?
...!?
What...?
are you doing ?

Being able to forget about everything
Is just what you needed!
A person in your condition
You don't need to be so scared!
You will soon lose consciousness

N...oo!
There...
Aah
Don't...
Bite
Haa
Ha
Ah
Aah!

Ah...
Haa...
Hmph! You really are slutty.
Just using the amount for a kid...
I don't have to hit him anymore——
Ugh!
Ah!
You already want it so much that you can't take it anymore?
... come.

Akira is...
Shower– Is he taking a shower?
Ah...!!

Ah--
Yes--
Towards this person I
Looks like the effects of the drug wore off
It seems like you don't care anymore
It was probably because of the drug that let you forget about everything
And that's why you were feeling so good

Go away...
You were calling that person's name...
Making love with me yet calling his name...
I don't want to hear it!
You—

You like him this much—?
No
Let go!
Ah—!?

Leave me alone!

Akira
-----...!!

Che!
